2. (Confidential - JGO) Returned the transcript of testimony by Jack Kubisch, Assistant Secretary of State for Latin American Affairs, before the House Foreign Affairs Committee on Wednesday, 26 September, to the Committee.

3. (Confidential - JGO) Received a call from Marian Czarnecki, Chief of Staff, House Foreign Affairs Committee, who told me there have been meetings between Chairman Morgan, of the full Committee, and Chairman Dante Fascell, of the Subcommittee on Inter-American Affairs, which have resulted in this request for an intelligence briefing by the Director with the Inter-American Affairs Subcommittee. If possible, Chairman Fascell would like to schedule Thursday, 4 October. It was also requested that a transcript be made of the briefing with the understanding that the Director would go off-the-record wherever he felt it appropriate. I thanked Czarnecki for the call and told him I would relay the request.

4. (Unclassified - GLC) Dave Dorsen, Senate Watergate Committee staff, called in response to [REDACTED] call on Wednesday concerning the identities of Agency employees whose names are mentioned in various affidavits of other Agency personnel. Dorsen said Senator Baker was the only person interested in these papers and he does not expect that there will be any further use made of them. I told him of my conversation with Rufus Edmisten, of the Committee staff, on Wednesday and his advice that we "let sleeping dogs lie" with the understanding that the staff would attempt to protect the identities of these people. Dorsen agreed with this advice but said they could make no absolute guarantees.
